

Commodities

Terms & Conditions

- The value added subscription charge is a yearly charge. It enables you to trade in commodities at a flat rate of brokerage for a period of 1 year i.e. 365 calendar days. The same is Non refundable and covers following services expenses:
 - a. Webinar entry every quarter
 - b. Research SMS/Email services
 - c. Research Reports
- GST @ 18% will be applicable on the subscription charges
- Once paid, the subscription charges will not be refunded
- The subscription charges can only be mapped to your particular Trading account and is non-transferable
- Once T&C are agreed, Axis Securities Ltd. (ASL) will debit the subscription charges from your account/ledger, as the case may be
- Funds will be debited at the end of the day of the request received. In case the debit fails initially, ASL reserves the right to continue to try to debit the funds in client account for a period of 30 days after the subscription request has been placed
- The plan will be activated on the day after the subscription amount has been successfully debited and received
- Any change requests to the plan chosen will be considered as a fresh request and not a change in plan. In such a scenario, the previous plan would be treated as void
- Once T&C are agreed by you, ASL can activate your commodity segment account, if not already activated at the time of request
- The value added charge per annum is over and above the brokerage charges and is not adjusted against brokerage
- Illustration of Approximate Annual Savings for Silver Plan assuming the following:

Average Total trades placed in a day	8
