

## How to apply for an IPO on the RING mobile app?

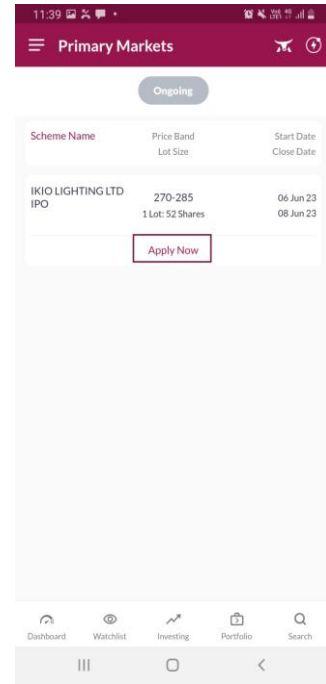

**Step 1:** Open the RING mobile app and click on 'Investing' to begin the process

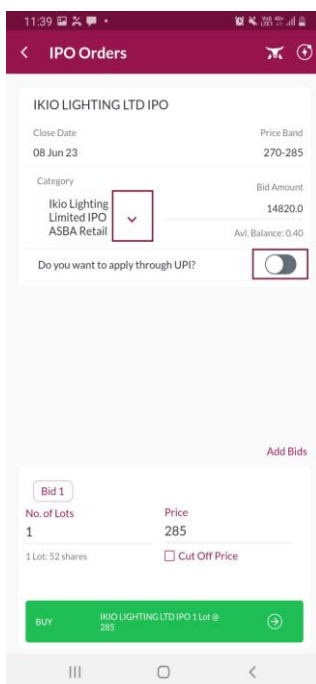

**Step 2:** Click on the arrow icon next to 'Initial Public Offering (IPO)'

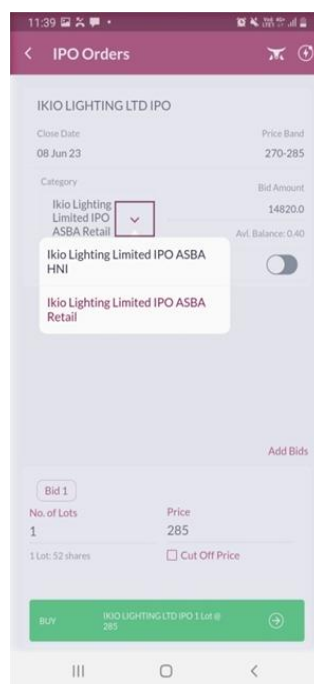

**Step 3:** All the IPOs available to apply will be visible on the screen click on the 'Apply Now' tab below the desired IPO

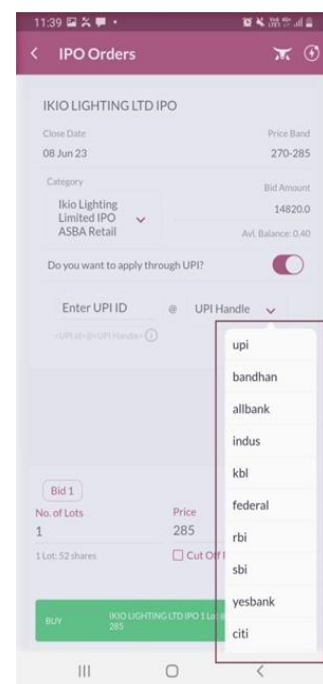

**Step 4:** Click the dropdown next to 'Category' type to select the Investor Category; you can also change the payment mode to UPI from ASBA

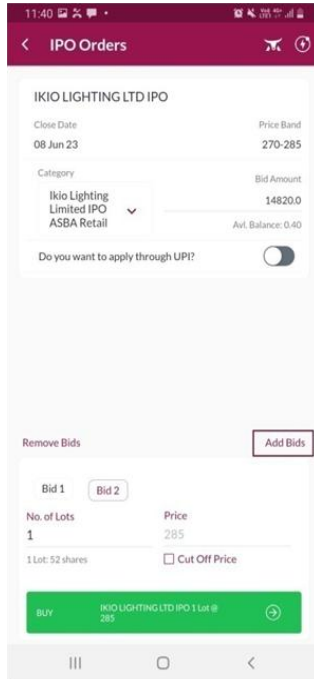

**Step 5:**  
**Retail:** Investments below 2lac  
**HNI:** Investments above 2lac

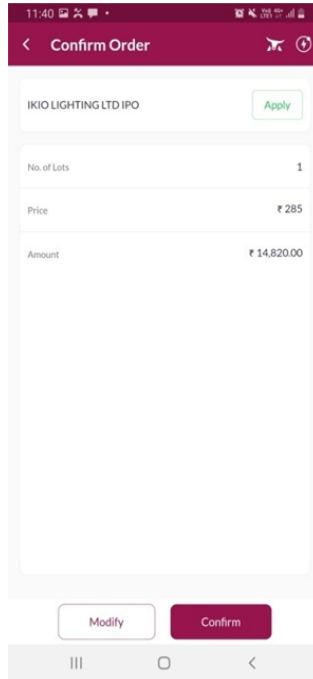

**Step 6:** For UPI payments after selecting UPI enter the UPI ID and select the applicable UPI handle. **Make sure to accept the UPI mandate sent to your UPI app to complete the order & funds to be blocked.**

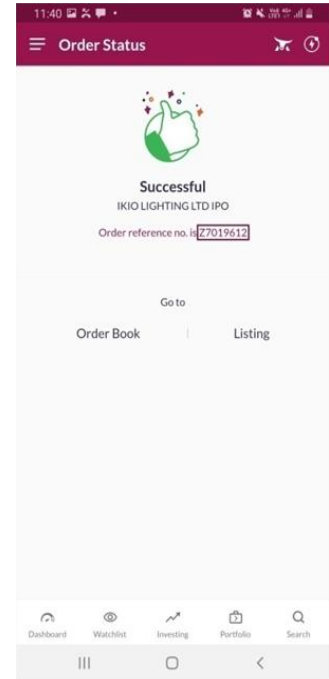

**Step 7:** You can also add multiple bids by clicking on the 'Add Bids' link

**Step 8:** Check the order details and click on the 'Confirm' tab to proceed

**Step 9:** Your order is successfully placed, please make a note of the application number for further reference
